

ANNA M. ROSENBERG (Jew) Named Communist Who Supports NAACP

most outstanding citizens.

Dr. Ralph Bunche

Another "great" Negro citizen is Ralph Bunche, who holds an honorary degree of Doctor. When Count Folke Bernadotte was assassinated by Jewish terrorists in Israel, one of the most shocking crimes in modern diplomatic history, Bunche was chosen to replace him as United Nations mediator in the theft of Palestine from its Arab inhabitants. The Jews were pleased with Bunche's handling of their affairs, so pleased that David Niles (Neyhus) offered him the position of Assistant Secretary of State in Truman's cabinet. Bunche sneeringly refused, claiming that Washington is a Jim Crow town. Since the population of metropolitan Washington is already predominantly Negro, it is difficult to see how this could be. Actually, Bunche was merely creating an artificial issue for Communists to publicize in Russia. He accepted a better-paying job with the United Nations.

Why is Bunche a favorite of Jewish revolutionaries? The Daily Worker of November 10, 1938 gives us a clue. On the front page is a picture of a Negro Communist, just back from slaughtering nuns and priests in Spain. And below is a telegram welcoming him back to America from his church-burning expedition overseas. The signer of the telegram is Ralph Bunche of Howard University. Thus Bunche reveals his real allegiance and explains his sudden rise to fame and fortune, backed by the Jewish Communist clique.

They Planned It That Way

American citizens, stunned by the unconstitutional anti-segregation of our leftwing Supreme Court, do not realize that this decision has its origins in Communist dictates of more than one hundred years ago. Like the income tax and the inheritance tax, the anti-segregation decision was demanded by the Communist Manifesto of 1848, which first used the phrase "without regard to race, creed, or color". This phrase identifies any organization which uses it as a group which follows the fundamental purposes of Communism. The American Jewish Congress and its colored subsidiary, the National Association for the Advancement of Colored People, use this phrase in all of their publications as a basic principle of their groups.

Mongrelization

The Jewish Communist Israel Cohen in 1912 wrote a "A Racial Program for the Twentieth Century", in which he declared:

"We must realize that our Party's most powerful weapon is racial tension. By pounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mold them to the program of the Communist Party. The terms colonialism and imperialism must be featured in our propaganda. In America, we will aim for a subtle victory. While inflaming the Negro minority against the whites, we will endeavour to instill in the whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige, the Negroes will be able to inter-marry with the whites and begin a process which will deliver America to our cause."

In the leaflet "Your Family and the

NAACP", the National Association for the Advancement of Colored People declares that "The NAACP supports the United Nations and opposes colonialism and racism wherever they appear." Thus the NAACP follows the Cohen directive.

In the pamphlet "Crusade for Freedom", the NAACP states that:

"The NAACP youth division is a constituent member of the World Assembly of Youth and has consistently opposed colonialism and imperialism in every form."

Note the similarity of this declaration with the Cohen directive.

NAACP Founded by Jewish Revolutionaries

The fact that the National Association for the Advancement of Colored People so closely follows the aims and directives of the Communist Party is more understandable when we learn that it was not founded by Patriotic Negro American citizens. It was founded by Jewish Communist revolutionaries. An NAACP leaflet featuring congratulatory statements by prominent citizens quotes Rabbi Irving Miller, former President of the American Jewish Congress as follows:

"Our late President, Dr. Stephen S. Wise, was one of the founders of the NAACP. Throughout the years, our cooperation with the Association has been a source of deep gratification to us. The intimate working relationships which we have enjoyed, both in major undertakings and the day-to-day routine of the struggle for the extension of human rights in this country, have contributed significantly to the objectives we commonly seek."

The New York Times of March 24, 1917 revealed that Rabbi Stephen S. Wise had led an hysterical celebration of the Communist Revolution in Russia, and addressed a mass meeting of gleeful Jewish Communists in Carnegie Hall on the previous evening. His son James Waterman Wise has been active in many Communist fronts. His daughter, Justine Wise Polier, appointed a children's judge in New York City by the radical Marxist Fiorello LaGuardia, is married to Shad Folier, a director of the American Jewish Congress.

The American Jewish Congress itself, working with the NAACP for common objectives, was founded by Jewish revolutionaries who had been expelled from Russia and who found a haven in the New York ghetto.

The NAACP has never adequately represented the Negro citizens of America. Instead, it has represented the sinister aims of Jewish radicals. The NAACP has always been dominated by Jews. Mary White Ovington, in "How the NAACP Began", published in 1951, tells how she, W. E. Walling and Dr. Henry Moskowitz set up the NAACP in 1909. She relates that Walling's wife had been imprisoned for some years in Russia for her revolutionary activities in trying to overthrow the Czarist government. She and Moskowitz issued a call for aid in founding the NAACP, signed by 53 people. More than one-third of those listed have been cited by our Government as Communists or members of radical Communist fronts. Senator Herbert H. Lehman, elected Governor of New York with the active support of the Communist Party, has been a director of the NAACP for many years. Its President today is the Jew Arthur Spingarn. More than one-

third of the present life members of the NAACP are Jews! Thus it can be seen that the NAACP, far from representing our loyal Negro population, is merely a tool of Jewish radicals.

What has the NAACP done for America's Negro population? What constructive accomplishments can it cite? The amazing rise in the living standard of the Negro was a result of the general prosperity of the United States in the past two decades. The NAACP has contributed nothing to our economy. Instead, it has continually sought to inflame the Negro citizens against whites and to stir up class warfare in the best traditions of Marxism. NAACP branches should be treated as Communist cells and its active members watched with suspicion until it changes its tune, shakes off its Jewish domination, and works for American principles of freedom and justice.

We could go on for many pages, citing the Communist-front affiliations of NAACP directors. A typical one is Dr. Channing H. Tobias, Assistant-Treasurer of the NAACP, with 28 listings, of which we mention a few as follows:

From Appendix IX, House Committee on Un-American Activities, 1944:

Channing H. Tobias, sponsor of American Committee for Protection of Foreign Born, cited by the Committee as "founded by the Communist Party to exploit racial divisions in the United States for its own revolutionary purposes."

Channing H. Tobias, sponsor of American League for Peace and Democracy, cited by the Committee as "one of the most effective Communist front organizations ever operated in this country."

Channing H. Tobias, sponsor of People's Institute of Applied Religion, cited by the Committee as "one of the most vicious Communist organizations ever set up in this country."

These are only a few mentions of the 28 listings of Channing H. Tobias, Asst. Treasurer of the National Association for the Advancement of Colored People showing the kind of organization which it is.

NAACP Publications And Activities

In its booklet "Audio Visual Aids to Intercultural Understanding, Teaching Democracy", the NAACP recommends the film "Achimota", narrated by the notorious atheist Dr. Julian Huxley, and the film "Brotherhood of Man" an animated cartoon based on the pamphlet Races of Mankind, written by Drs. Ruth Benedict and Gene Weltfish. Dr. Weltfish refused to answer a Congressional Committee as to whether she was a Communist and was later named as such. It also recommends the film "Democracy at Work in Rural Puerto Rico" made by the U. S. Dept. of Agriculture. Common Sense was able to prevent the distribution of another leftwing film produced by Marxists in the Department of Commerce, the film "Don't Discriminate", which openly insults white Americans. When we informed our readers that this film was being produced, thousands of outraged Americans protested, with the result that the Department of Commerce now denies that this film was ever planned or produced.

NAACP also recommends in this booklet the film "Native Land", with songs and narration by the famous Negro Communist leader Paul Robeson, whom the Communist Party has selected as the Black Dictator of the Soviet Republic of the South to be set up after the revolution in America. NAACP often cooperates with Communists and Communist fronts in its struggle to Sovietize America, but this does not mean that we should resent

VIEWS OF A NORTHERN NEGRO

—(Continued from Page 1)—

Negro teachers over \$22,000,000 last year. Florida is another state that ranks at the top on teachers pay.

"If these states that are now pouring millions of dollars annually into Negro pockets which provides our people with money that enables them to enjoy the dignity of man, to enjoy the prestige and respectability, to buy homes and the necessities of life — are forced to abandon the segregated school — 75 per cent of the Negro teachers in the South will lose their jobs. Not only that, but approximately 20,000 Negro principals will lose their jobs as well . . .

"This present movement to end segregation in the schools — is merely the beginning of a well laid plan to completely end segregation in everything in the South. If this happens, the Negro will be thrown into direct competition with the white race, and our business institutions will crumble.

"No place in the world do Negroes own and control as much as do those in the South. Atlanta is without question the Negro capital of the world. It is the center of Negro culture, education, business and finance. And both Negroes and whites live, work and operate business without either being conscious of the other's race.

"This movement to integrate the schools of the South, is loaded with more racial dynamite than appears on the surface — and the Negro will be the one who is blown away.

"During the past two years I have spent more time in the South than I have in my office; and I have interviewed thousands of Negroes in all walks of life — and I have found very few who favor mixed schools. They want their own schools, but equal facilities. This being the situation, one questions the fairness of forcing these colored citizens to accept what they don't want. If a little group of paid agitators succeed in forcing their will upon these people, it appears to me that they should at least be given an opportunity to be heard.
